RICHMOND MEN AS OFFICERS

Governor Stuart Arrives at Lexington to Attend Commencement, and Is Greeted With Salute of 17 Guns Fired by Cadet Battery.

[Special to The Times-Dispatch.]

Lexington, Va., June 22 .- A salute of seventeen guns was fired this after-noon by the cadet battery in honor of Governor Henry C. Stuart, who arrived at the Virginia Military Institute on the late train to-day to be present at the commencement exer-

Following the salute to Governor Stuart, the review before the alumni

was held.

The alumni association this afternoon at its annual meeting organized "The Building and Endowment Asso-clation of the Virginia Military Instiwhose object and aim is to raise stite, whose object and aim is to raise; \$1,000,000, half of which is to be applied to the general building and enlargement of the buildings and grounds, and the other half for endowment fund. The officers elected are all Richmond men, with one exception, as follows: John B. Purcell, president Alexander Hamilton Before. resident; Alexander Hamilton, Petersburg, senior vice-president; ffugh Stockton, secretary; Charles J. Ander-son, treasurer. Colonel Joseph Button was made chairman of the executive

The final german was danced tonight and the alumni smoker held. Colonel Joseph R. Anderson, president of the alumni association was toastmaster, and the responses were hearty and eloquent.

Report of Alumni Committee. The report of the committee, ap-

pointed by the board of visitors of the institute, to suggest a method of raising necessary funds for the improvement of the buildings and grounds, was As follows:
"To the Board of Visitors:
"At the June, 1913, meeting of the board the committee on buildings and grounds was directed to employ a competent firm of architects and landscape designers to prepare a general plan for development and improvement of the grounds, having in view the enfor development and improvement of the grounds, having in view the en-largement of the parade ground, loca-tion of new buildings and other de-velopments covering future needs.' The committee secured the services of Mr. Bertram Grosvenor Goodhue, of New York, who presented a plan which was 'accepted and adopted' by the Mr. Bertram Grosvenor Goodhue, of New York, who presented a plan which was 'accepted and adopted' by the board at its January, 1914, meeting. The enthusiastic manner in which these beautiful and comprehensive plans were received by the alumni and friends of the institute everywhere suggested the idea that possibly a large sum of money could be raised by private subscription for the purpose of carrying them out. With that idea in view, the board, at a called meeting held in Richmond on February 1, 1914, appointed a committee to suggest a method of raising the necessary funds for the contemplated improvements, and for an endowment as well. Your committee has given much thought to the subject, and suggests the following as a feasible plan of organization: "That an association be formed to be known as the Building and Endowment Association of the Virginia Military Institute, its object and aim being to raise the sum of \$1,000,000, half of which to be applied to the work of enlargement of the barracks, building additional academic and other buildings and beautification and extension of the grounds. The other half to be set aside as an endowment fund.

"This association could be either a

set aside as an endowment fund.
"This association could be either a voluntary association or could be chartered by the State, as the organizers

"There should be a president, vice-president, secretary, treasurer and an executive committee of about twentyfive or more from different parts of the State. After this is formed, there should be added a general committee consisting of representatives from each consisting of representatives from each county and city in Virginia and from each State of the Union where there are alumni or friends of the institute.

"The method of raising the funds, if our suggestion is followed, would be to secure pledges for a given sum payable in five annual installments. In

this way a larger sum could be raised than if the whole subscription were payable at once. But these are all mat-ters of detail which can be worked out later. The main thing now is to make a start by perfecting an organization, and there is no time like the present for that.

"Your committee therefore recom-mends that this report be adopted by the board, spread upon the minutes and then be presented by the superintendent to the Alumni Association at their meeting to be held in Jackson Hall on Tuesday afternoon, with the request that they proceed to organize such an association along the lines indicated above or upon such other lines as they

may deem best.

Nichols, R. A. James."

Pinal Dance Is Held.

The Military Institute gymnasium presented an attractive appearance to-night, the occasion being the final military german, which was a brilliant affair. Thirty-nine couples took part in the opening figure, which was made up of several very pretty formations. They were the figures of "14" and "15," with the V. M. I. monogram, a

Japanese scene, a new moon, and a boat scene.

The cadets, members of the first class, wore white suits with green streamers. Their fair partners were gowned in white, and carried American Beauty rosses.

The figure was opened by Miss Janet Mason, of Durham, N. C., with Cadet W. T. Clements, of Richmond, president of the German Club. They were

The other couples in the opening figure were: Miss Louise Gill, of Petersburg, with Cader roward F. Gill:

Only One Application and the Hairs Vanish

It is not longer necessary to feel embarrassment because of ugly hairy growths, for with a delatone paste you can make every hair disappear in a very few moments. Just make a paste with a little powdered delatone and water, apply to hairy surface and after about 2 minutes rub off, wash the skin and the hairs have vanished. No harm or inconvenience can result from this treatment, but be sure it is real delatone you get.

watchful waiting like that made famous by her father.

At the National Conference of Social Centres and Civic Secretaries Miss Wilson feared opposition to one of her pet measures, a requigest of the State of Wisconsin to improve its civic centre law, and this is what she did:

Made the motion herself, called for the ayes when the motion was seconded, without waiting for the chairman of the conference to put the question, and then declared the motion carried without calling for the ayes. Many Congressmen are trembling in anticipation of that vote. Men and women voters of every party should hasten to assure their Congressmen and Senators that if they stand faithfully in this Congress for the home against the saloon they will be supported regardless of party, when they come up for re-election. It would, in my opinion, be scarcely less than a crime for even a third party prohibitionist to vote this fall against a Democrat or Republican in Congress who in the face of an aroused national army of liquor dealers and their friends, casts his vote in favor of national archibition." friends, casts his vote in favor of na tional prohibition."

No Action on Camp Site.

No call for a special session of either branch of the City Council to consider the appropriation of \$6,000 for the military encampment at the State Fair Grounds has yet been issued. The matter, therefore, is still pending. There is still time in which action can be taken, though the War Department is insistent that the location of the camp be determined.

the abdominal muscles to become more pliant, to expand naturally without undue pain from the strain upon cords and ligaments.

Applied as directed upon those muscles involved it soothes the fine network of nerves with which all the muscles are supplied. Thus a great share of the pains so much dreaded may be avoided and the period of expectancy passed in comfort.

There is no question but what such relief has a marked influence upon the general health of the mother.

In a little book sent by mall much useful information is given to inexperienced mothers. It tells how to use "Mother's Friend" and how to avoid caking breasts.
